FAQ

Q: What equipment will we have to bring?

A: All players require enclosed shoes and a water bottle.

Q: Does it matter if our child doesn't play at SPU, or plays for another club?

A: No. SPU have always had a positive connection with other clubs and the community, and we wish for that to grow.

Q: This is our child's first year of football... will this be too challenging for them?

A: Our program supports all levels of player, from Kindy upwards, using foundation skills mixed with fun games.

Q: Do we need to provide lunch?

A: It would be ideal if you could provide a packed lunch and a snack for morning tea. We will be providing a sausage sizzle and drinks on both days, at a nominal charge.

Q: Are the parents allowed to watch?

A: Parents are welcome to watch. But please be respectful of our coaches whilst we are coaching. In between coaching sessions we welcome parents communicating with their child.

Q: What time do we drop off and collect our children?

A: Our starting time is 8:30am, so it would be ideal for children to arrive 15 minutes earlier. Our coaches will welcome all players with a game of rondo (keep off passing game). Collection time is 3:30pm, but can be extended until 4pm upon prior arrangement.
